Dear Sir,

Ref. de M. Belime à la lettre d'Allen. Huxford du 12.5.39 à une autre lettre du 15.5.39 promettant aut. d'appeler les prix des catalogues, faire une différence entre les éditions françaises - Peut-être, sur les catalogues, faire une différence entre cette collection et aux des autres collections ? M. Belime, lui, n'a rien promis et les fact. ont toujours de fait aux mêmes prix
Nous avons bien reçu votre lettre du 12 avril et nous

avons examiné soigneusement les différentes suggestions qu'elle contenait :

1°) En ce qui concerne la différence des prix de nos publications françaises suivant qu'ils sont établis pour la France ou l'Angleterre, celle-ci est due à la nécessité d'y faire entrer les frais de port, qui pèseraient moins lourdement sur nos prix si chaque lot de commandes comprenait un plus grand nombre d'exemplaires. Il dépend donc de vous autant que de nous de faire en sorte que cette différence diminue.

2°) En ce qui concerne les titres anglais de nos publications, nous nous efforçons, dans la mesure du possible, de les rendre attrayants, mais malheureusement nous n'en sommes pas les seuls maîtres, car nous sommes tenus de nous adapter aux résolutions des différents Comités d'experts dont dépendent nos travaux.

3°) Nous nous proposons de vous informer, aussitôt que possible, de toute nouvelle publication, afin de vous permettre d'en activer votre propagande. Toutefois, la date de sortie de presse ne peut être, dans tous les cas, fixée d'avance d'une manière absolue, en raison de la nature de ces publications dont les matériaux - manuscrits et épreuves - ressortissent à des pays nombreux et souvent lointains.

4°) Il paraît malaisé de compléter nos catalogues par un Index, nos publications étant en majorité le résultat de travaux collectifs, qui ne comportent pas de noms d'auteurs. Les titres classés alphabétiquement ne faciliteraient pas les recherches, puisqu'ils y sont déjà classés par matière. Néanmoins, nous étudions le moyen de tenir compte de votre suggestion dans la mesure du possible.

5°) Pour vous faciliter notre publicité, nous tâcherons de vous donner satisfaction en établissant les "leaflets describing our forthcoming works" que vous nous suggérez; mais il nous serait nécessaire de connaître, pour chaque cas, le nombre dont vous auriez besoin. Veuillez agréer

J. BELIME

Allen & Unwin ??
May 1939.

Gentlemen,

We duly received your letter of April 12th and we have been carefully examining the various suggestions which it contains.

1. With regard to the difference in the prices of our French publications according to whether these prices are fixed for sales in France or in England, this is due to the fact that an allowance must be made for carriage, an item that would weigh less heavily on our prices if each consignment ordered included a larger number of copies. It is therefore for you, as much as for us, to do everything that may be possible to reduce this difference.

2. As regards the English titles of our publications, we are making every endeavour to adopt attractive titles, but we are, unfortunately, not the sole masters in this matter since we are obliged to take into account the decisions of the various committees of experts upon whom our work depends.

3. We propose to notify you of forthcoming publications as soon as possible, so that you may give the earliest attention to advance publicity. In any case, however, owing to the nature of these publications, the material for which (manuscripts and proofs) has to be collected from numerous and often distant countries, it is impossible to fix beforehand, with absolute certainty, the date at which they will be ^{published.} ~~delivered by the printers.~~

4. There would be some difficulty in completing our Catalogue by an index since the majority of our publications are the result of collective work for which it is ^{not our practice} ~~unnecessary~~ to give the names of authors. Alphabetically arranged titles would not facilitate reference, since they are already classified by subject. We shall, however, examine the means of giving effect

to your suggestion in so far as may be possible.

5. With a view to helping you in your publicity, we shall endeavour to give you satisfaction by preparing/leaflets describing our forthcoming works along the lines of your suggestion; it would be necessary, however, for us to know in each case the number of leaflets you would require.

Yours faithfully,

J. BELIME.

Messieurs,

Dans ma lettre du 14 septembre 1938 je vous ai demandé le duplicata de six demandes de renouvellement d'abonnements qui ne nous étaient pas parvenues (5 "Index Translationum" et 1 "Scientific Museums").

Ces demandes, en attente de mon retour dans un autre Service de l'Institut, viennent de m'être remises et je m'empresse de vous le faire savoir afin de vous éviter une recherche désormais inutile.

Veuillez trouver ci-inclus les factures concernant ces renouvellements.

Croyez je vous prie

Mme Pannier

Gentlemen,

On the 14th. inst. I wrote to you asking you to send me a duplicate of ~~the~~ six orders for subscription renewals which had failed to reach us (5 Index Translationum and 1 "Scientific Museums").

These orders, I now find, were in the possession of another Service of the Institute, which was holding them pending my return from vacation, and they have only just been handed to me. I therefore hasten to advise you accordingly and to apologise for any trouble my request may have caused you.

Enclosed please find our invoices for the renewals in question.

Messieurs,

Par votre lettre du 12 septembre, vous nous demandez les factures de 11 abonnements à l'INDEX TRANSLATIONUM et 1 abonnement à SCIENTIFIC MUSEUMS.

Rentrée de vacances hier, je n'ai trouvé que 6 abonnements à l'INDEX TRANSLATIONUM, soit 4 par votre lettre du 4 août et 2 par celle du 5 août. Veuillez trouver ici les deux factures qui s'y rapportent. Pour les six autres abonnements (dont encore 5 à l'Index Translationum et 1 à Scientif Museums) je vous serais très reconnaissante de bien vouloir m'envoyer un duplicata de vos demandes de renouvellement.

Soyez assurés, en tout cas, que vos clients ont reçu le No.25 de l'Index Translationum, dernier paru.

Je vous prie de croire, Messieurs, à l'assurance de mes sentiments les plus distingués.

Messieurs,

Votre lettre du 9 octobre nous demande si nous avons envoyé le No.1 de l'Index Translationum à Messrs. Cornish Bros., Birmingham, sur leur souscription.

Nous croyons qu'il y a erreur. Ne s'agit-il pas plutôt du No.21 qui nous a été réclamé dernièrement pour cet abonné ?

A ce moment, le No.21 était en cours de distribution et il doit être maintenant arrivé à destination.

En tout cas, s'il s'agit vraiment du No.1 nous aurons le regret de ne pouvoir l'envoyer à Messrs. Cornish, car il est épuisé.

Veuillez agréer, Messieurs, l'assurance de mes sentiments très distingués.

Dear Sir,

With further reference to our letter of 14th July, we have now heard from Messrs. B.H. Blackwell and they wish to renew their subscription to "Coöperation Intellectuelle" for a further year. They state, however, that their last subscription covered up to and including number 66, so that the renewal would presumably cover 67 - 78 at 15/-. We shall be glad if you will look into this question of numbers, but in any case please continue to send the "Co-operation Intellectuelle".

Yours faithfully,

Messieurs,

ABONNEMENTS "COOPERATION INTELLECTUELLE"

En réponse à votre lettre du 17 juillet 1936, j'ai l'honneur de vous faire connaître que nous avons envoyé jusqu'ici à Messrs. Blackwell, Oxford, sur l'année 1936, les numéros 61 à 67 inclus. Nous attendons de vos nouvelles dans le courant de la semaine prochaine au sujet du renouvellement de leur abonnement.

En ce qui concerne Mr. Anthony, Cardiff, qui a reçu également les numéros 61 à 67 de notre bulletin, nous prenons note de cesser le service.

Veuillez agréer, Messieurs, l'assurance de mes sentiments très distingués.

Messrs. George Allen & Unwin Ltd.,
40, Museum Street,
LONDON W.C.1

Messieurs,

J'ai l'honneur de vous accuser réception de votre lettre d'hier.

Notre facture du 29 juin 1936 n'est qu'une facture pro-forma, dont le montant ne devait être porté à votre débit qu'en cas de renouvellement pour l'année 1936. Mais au lieu de : UNIVERSITY COLLEGE, Dublin, il s'agit de Mr. D.B. ANTHONY, Cardiff, car en effet l'abonnement de l'University College of Dublin a bien été renouvelé (Notre facture du 11 février 1936). Veuillez donc détruire purement et simplement notre note du 29 juin et ne tenir compte que de l'avis ci-joint.

Pour répondre à votre remarque concernant l'expiration de ces abonnements, si vous n'en avez pas été avisés c'est parce que les souscriptions à la COOPERATION INTELLECTUELLE sont valables pour la période Janvier/Décembre - et nous pensions que vous le saviez. Au surplus, notre lettre du 10 juillet 1935 précisait bien : "jusqu'à fin 1935".

J'ajoute que Messrs. Blackwell et Mr. Anthony ont reçu les premiers numéros de l'année 1936 (61 à 65); nous attendrons les renouvellements pour leur envoyer la suite.

Veuillez agréer, Messieurs, l'assurance de mes sentiments les plus distingués.

Messieurs,

J'ai l'honneur de vous accuser réception de votre lettre du 9 mars concernant l'abonnement à l'INDEX TRANSLATIONUM de Mr. David Nutt (A.G.Berry).

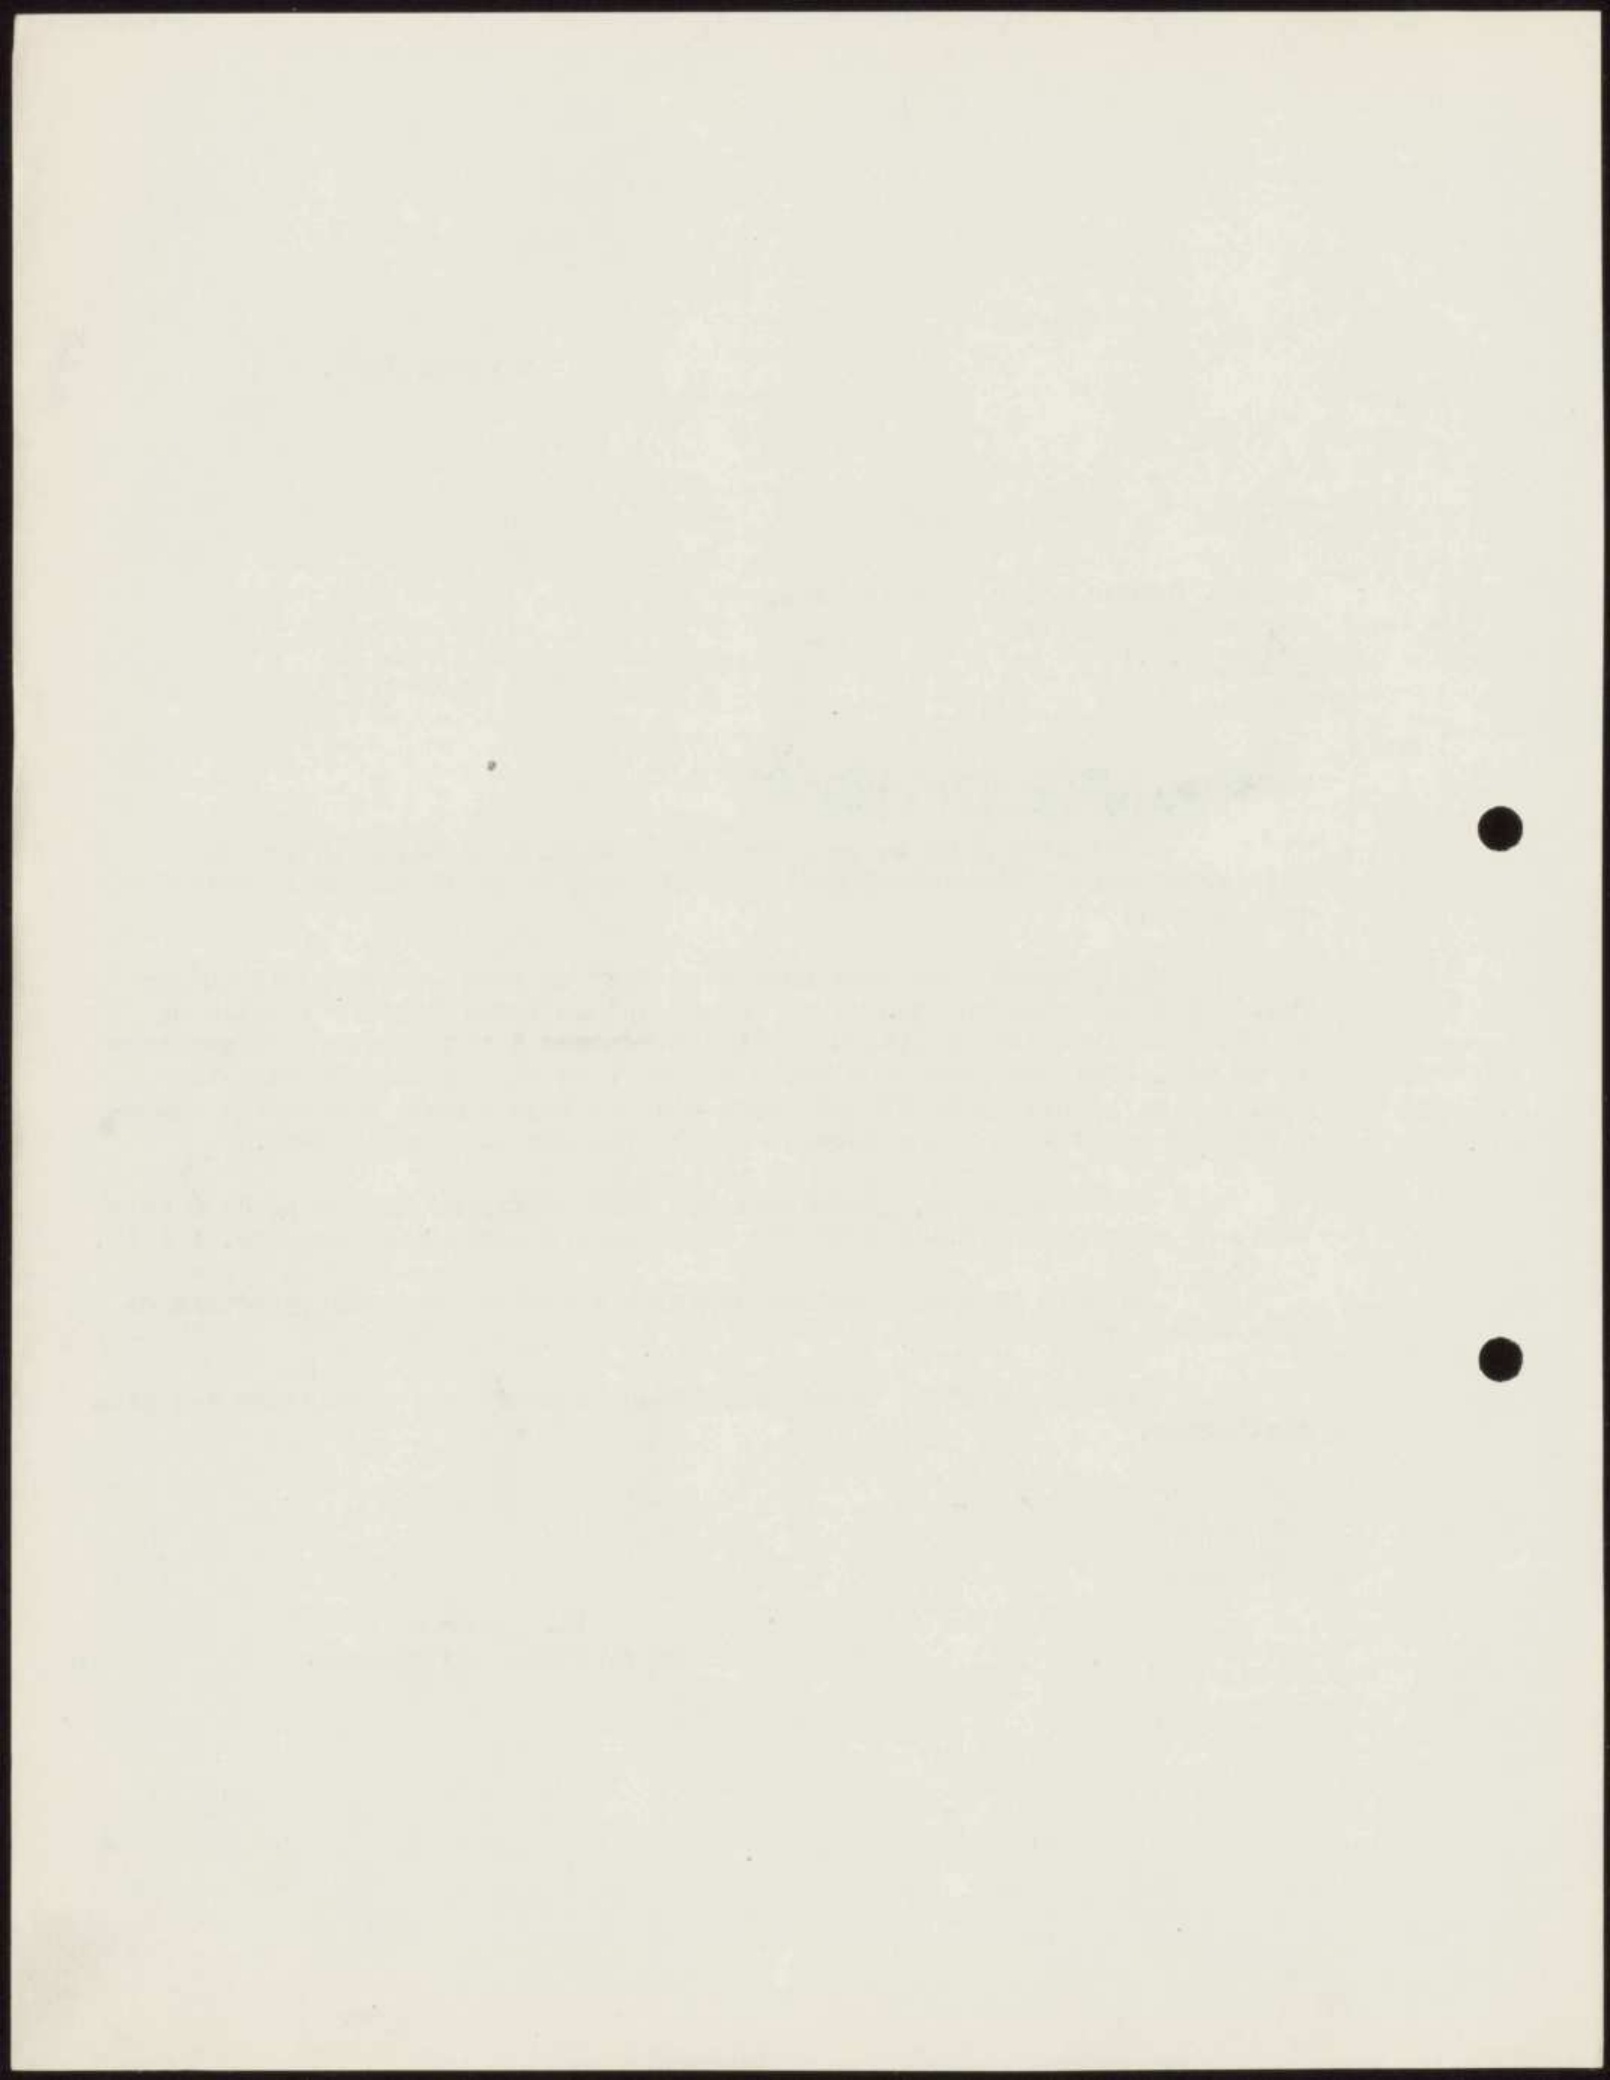

Le paiement que vous nous avez fait ne peut se rapporter qu'aux Nos. 2 à 5 car nous ne vous avons envoyé qu'une seule facture : celle du 22 mai 1933 (annulant celle du 2 mai) en réponse à votre lettre de commande du 20 mai. J'ai sous les yeux cette commande et elle mentionne bien les Nos. 2 à 5. Depuis cette époque, nous n'avons reçu aucune demande de renouvellement et ne vous avons adressé aucune facture pour cet abonné.

En conséquence, je ne puis que vous confirmer le compte du 4 mars 1936, se montant à £.1.1/3 pour les trois années comprenant les Nos. 6 à 17.

Je suis persuadée qu'une nouvelle vérification vous permettra de nous donner votre accord.

Veuillez agréer, Messieurs, l'assurance de mes sentiments les plus distingués.

LONDON, W.C.1

Messieurs,

En réponse à votre lettre DJB/DMC du 25 juin, j'ai l'honneur de vous donner ci-après quelques explications au sujet de l'abonnement à l'Index translationum de Messrs. Cornish Bros., 39 New Street, Birmingham :

Messrs. Cornish Bros. ont souscrit leur premier abonnement à ce périodique par un bulletin de commande du 15 août 1932, pour l'année I (N° 1 à 4)

Cet abonnement expiré, nous avons cependant encore envoyé le N° 5 (juillet 1933). Ce n'est qu'ensuite, par lettre du 3 août 1933, que Messrs. Cornish Bros. ont demandé le renouvellement pour l'année II, en mentionnant, il est vrai, Nos. 6 à 9. Mais, le No.5 ayant été servi par nos soins, ainsi que vous venez de le voir, nous avons précisé sur notre facture du 25 août 1933, dont nous avons le double sous les yeux : "L'année II commence au No.5" C'est pourquoi nous l'avons considérée comme terminée après l'envoi du No.8.

Dear Hill,

Messrs. George Allen & Unwin Ltd. hold a quantity of International Institute of Intellectual Co-operation publications, for which there is no longer a rapid sale, although they are still useful for suitable libraries. I am writing to ask them to send their remaining stock to you, for the benefit of the British National Book Centre.

Unesco is delighted to have this opportunity of making this small contribution to library rehabilitation.

Le stock restant chez cet ancien dépositaire de
l'Institut au 31 décembre 1945, se compose des quantités
indiquées en marge du catalogue ci-joint en face des titres
respectifs.

Grâce à la petite notice qui accompagne chaque titre et
mentionnant l'année d'édition, le nombre de pages et le résumé
en quelques lignes du contenu des livres, j'ai pensé que vous
pourriez vous faire, avec ce catalogue, une opinion de la valeur
des publications plus exacte qu'au moyen d'une liste tapée à la
machine.

Ci-joint: 1 catalogue.

The letter is written in a very formal and dignified style, and it is one of the most important documents in the history of the United States.

Messrs. George Allen & Unwin Ltd.

Messieurs,

Nous vous remercions pour votre lettre du 7 novembre courant et pour l'état qui y est annexé. Celui-ci porte sur les années 1944 et 1945. Or, ainsi que nous vous l'avons écrit le 15 janvier 1946, le dernier état que nous possédions est arrêté au 31 décembre 1938. Il nous manque par conséquent ceux des années 1939 à fin 1943. Si ces relevés de comptes nous ont été envoyés; nous vous serions obligés de nous préciser les dates et le montant des chèques, seul moyen pour nous de retrouver les recettes correspondantes, et de les porter à votre crédit.

Il y a eu certainement des ventes pendant cette période puisque vous nous avez passé des commandes jusqu'en 1940. D'ailleurs, cela ressort du rapprochement des chiffres de vos stocks à fin décembre 1938 et à fin décembre 1943.

Nous espérons que cette recherche vous sera facile et vous remercions à l'avance des renseignements que vous voudrez bien nous donner.

Pour les stocks qui vous restent et dont vous n'avez plus la vente, nous vous prions d'attendre encore un peu. Les décisions de la Conférence de l'U.N.E.S.C.O., qui commence le 19 novembre, dicteront notre réponse à votre question.

Veuillez agréer, Messieurs, l'assurance de nos sentiments les plus distingués.

Dear Sirs,

We enclose our statement showing the sales of your publications during 1944 and 1945 and a draft for the amount due to you, viz., £3/8/- has now been sent through our bankers.

You will notice that with the exception of two publications on broadcasting our sales are almost entirely confined to copies of the INDEX TRANSLATIONUM. For the majority of the other titles of which we hold stock there have been no sales at all in the past three years. We must ask you therefore to let us have your instructions for the disposal of the copies of those titles for which we now have no demand. As you will appreciate, the shortage of warehouse accommodation in London is now acute and we cannot continue to ware-house stocks

of books for which there is no demand.

Yours faithfully,

Messieurs,

Nous sommes toujours sans réponse aux demandes formulées par notre lettre du 15 janvier 1946.

La Commission de contrôle de la Société des Nations exige que nous lui fournissions de toute urgence les comptes détaillés de notre Trésorerie. Nous vous serions, en conséquence, très obligés de bien vouloir nous adresser sans plus de retard l'état des ventes que vous avez effectuées pour notre compte depuis fin décembre 1938.

Nous voulons croire que cet état nous parviendra par un prochain courrier et vous en remercions à l'avance.

Veuillez agréer, Messieurs, l'assurance de nos sentiments distingués.

Mr Madam

We thank you for your letter dated
January 15th.

Our annual stocktaking is now being

Your letter is being passed to the

In the meantime we think it unwise

Messieurs,

Nous aurions besoin de régulariser la situation de l'Institut international de Coopération intellectuelle en ce qui concerne ses avoirs à l'étranger. Dans ce but, nous vous prions de vouloir bien nous faire connaître :

1°- le montant des sommes qui nous reviennent sur vos ventes pour notre compte depuis votre dernier règlement. La dernière trace visible dans nos livres est celle du relevé arrêté à fin décembre 1938 : est-ce bien le dernier ? Nous ne sommes pas en mesure de le contrôler, certains documents et dossiers ayant disparu pendant l'occupation allemande;

2°- la valeur des livres qui peuvent encore vous rester en magasin.

Ensuite, nous essayerons de reprendre nos anciennes relations, interrompues depuis 1940. Les formalités à remplir et les conditions imposées pour les échanges avec l'étranger rendent ceux-ci difficiles et c'est pour cette raison que nous ne vous avons fait aucune expédition depuis la réouverture de nos bureaux, au printemps dernier. Cependant, nous avons quelques nouveaux ouvrages qu'il vous plairait peut-être de recevoir - par exemple les éditions anglaises du Manuel de la Technique des Fouilles et du Manuel de la Conservation des peintures.

Vos suggestions pour une reprise d'affaires nous seraient précieuses, mais ce qui est urgent pour le moment c'est votre réponse à nos questions 1° et 2° ci-dessus.

Espérant que vous voudrez bien nous l'adresser le plus tôt possible et vous en remerciant à l'avance, nous vous prions d'agréer, Messieurs, l'assurance de nos sentiments distingués.

May 31st, 1939.

Dear Sirs,

In reply to your postcard of May 30th, I believe the documents you have in mind are those in the series of memoranda submitted by committees in various countries, to the Twelfth Session of the International Studies Conference, which will take place in Norway next August. These documents are for the most part mimeographed and are not on sale. In so far as the British memorandum on British External ^{Economic} Policy in Recent Years is concerned, your client would probably be able to consult the memorandum if he applies to the Secretary of the British Co-ordinating Committee for International Studies, Miss Margaret E. Cleeve, O.B.E., Chatham House, 10 St. James's Square, London, S.W.1. This memorandum is an unpublished mimeographed document in the series I have mentioned above.

Yours sincerely,

O.J.

(Oliver Jackson)
Secretary.

Dear Sir,

In reply to your postcard of May 31st, I believe

the documents you have in mind are those in the series of
documents submitted by committees in various countries, through
British Mission of the International Studies Conference, which
will take place in Norway next August. These documents are
for the most part mimeographed and are not on sale. In the far
as the British memorandum on British External Policy in the
past years is concerned, your client would probably be able to
consult the memorandum if he applies to the Secretary of the
British Co-ordinating Committee for International Studies, 115
Whitehall, S.W.1. This memorandum is an unpublished min-
ute, dated 11.5.39. I have mentioned above.

Yours sincerely,

(Oliver Jackson)
Secretary.

JB/WT

Gentlemen,

We duly received your letter of April 12th and we have been carefully examining the various suggestions which it contains.

1. With regard to the difference in the prices of our French publications according to whether these prices are fixed for sales in France or in England, this is due to the fact that an allowance must be made for carriage, an item that would weigh less heavily on our prices if each consignment ordered included a larger number of copies. It is therefore for you, as much as for us, to do everything that may be possible to reduce this difference.

2. As regards the English titles of our publications, we are making every endeavour to adopt attractive titles, but we are, unfortunately, not the sole masters in this matter inasmuch as we are obliged to take into account the decisions of the various committees of experts upon whom our work depends.

3. We propose to notify you of forthcoming publications as soon as possible, so that you may give the earliest attention to advance publicity. In any case, however, owing to the nature of these publications, the material for which (manuscripts and proofs) has to be collected from numerous and often distant countries, it is impossible to fix beforehand

Messrs. George Allen & Unwin Ltd.,
40, Museum Street,
LONDON W.C.1.

with absolute certainty, the date at which they will be published.

4. There would be some difficulty in completing our Catalogue by an index since the majority of our publications are the result of collective work for which it is not our practice to give names of authors. Alphabetically arranged titles would not facilitate reference, since they are already classified by subject. We shall, however, examine the means of giving effect to your suggestion in so far as may be possible.

5. With a view to helping you in your publicity, we shall endeavour to give you satisfaction by preparing the leaflets describing our forthcoming works along the lines of your suggestion; it would be necessary, however, for us to know in each case the number of leaflets to be printed and the cost of each.

Yours faithfully,

(J. BELIN)

Head of the Publication Service.

P.S.: In accordance with paragraph 5 you will find herewith

the notes describing the English and the French edition of

the volume already in the press, and for which we have already

proposed to publish one of the forthcoming publications.

We hope to reply to you as soon as possible.

Attention is drawn to the fact that, in any case, owing

to the nature of these publications, the material for which

(manuscripts and proofs) has to be collected from numerous

and often distant countries, it is impossible to fix a date

Messieurs,

Nous avons l'honneur de vous accuser réception de votre lettre
du 10 mai 1938.

Vérification faite, la retenue de £1.19.0 que vous avez opérée
sur votre compte de ventes du 2ème semestre de 1937 est parfaitement juste,
puisque en effet, vous nous aviez envoyé, pour le règlement du précédent
compte, un chèque de £14.10.6 alors que la somme de £1.19.0 représentant
le prix des abonnements était déjà incluse dans le total de £12.11.6.

Nous sommes, cette fois, tout à fait d'accord.

• Veuillez agréer, Messieurs, l'assurance de nos sentiments très
distingués.

Messieurs,

^{nous avons}
~~J'ai~~ l'honneur de vous accuser réception de votre compte du 2ème
semestre 1937, accompagné d'un chèque de £9.19.1, sur la Banque Drummond,
No.26365, dont nous vous remercions.

Mais nous ne comprenons pas pourquoi vous avez déduit £1.19.0 .
Contrairement à ce que vous croyez, ces abonnements n'ont pas été payés
deux fois. Pour vous en assurer, veuillez revoir vos listes de souscrip-
tions payées/^{pour le}1^{er} semestre 1937 et/^{pour le}2^{ème} semestre 1936 : seul le nom de Messrs
Blackwell Ltd. se retrouve~~nt~~ sur les deux, et il ne s'agit pas de la même
année d'abonnement. Par conséquent, cette somme de £1.19 nous était parfai-
tement due et nous vous serions très obligés de bien vouloir nous envoyer
un autre chèque de même montant pour que nous puissions régulariser nos
écritures.

Avec nos remerciements etc....

Gentlemen,

We beg to acknowledge with thanks the receipt of your statement for the second half of 1937, accompanied by a cheque for £9.17.1, on Drummond's Bank, London (No.26365).

We do not, however, understand why you have deducted £1.19.0. Contrary to the explanation which you give, these subscriptions have not been paid twice over; in order that you may satisfy yourselves that such is not the case, we would ask you refer to your list of subscriptions paid for the first six months of 1937 and for the second six months of 1936: only the name of Messrs. Blackwell Ltd. appears on both of these lists and, moreover, the subscription years are different. Consequently, this sum of £1.19.0 is undoubtedly due to us and we should be much obliged if you would kindly send us a cheque for that amount so that we may adjust our accounts.

Thanking you in advance for your attention,

Yours faithfully,

Messrs. George Allen & Unwin Ltd.,
40, Museum Street,
London, W.C.1.

Gentlemen,

With reference to your letter of April 16th suggesting that the price of the book *de l'enseignement supérieur* "Reorganisation of Higher Education" should be reduced from 12/- to 7/6, we beg to point out that such a reduction would mean a very substantial diminution in the return on this publication. At the present moment, 40 French francs (the equivalent of 7/6) no longer represent 40 fcs. at pre-devaluation value, owing to the fall in purchasing capacity. It is, moreover, for this reason that we have not revised the prices quoted in our catalogues in shillings or in dollars, for the home rise compensates the fall abroad. Furthermore, when the prices of books are fixed in foreign currencies an allowance is always made to cover various costs and incidental expenses. Your customer will doubtless realise that he cannot expect to purchase a book abroad at the same price as that charged in the country of publication.

Nevertheless, in order to meet on you on this point and solely by way of exception we authorise you to invoice the copies of this book at 7/6 for this customer only. In order to avoid the possibility of claims on the part of other buyers, we would advise you to change the price of 40 fcs. to 12/- on the ^{remaining} few copies ~~xxxxxx~~ out of the eight which we forwarded to you.

Yours faithfully,

Wentworth, George Alfred, Esq.,
40, Essex Street,
London, W.C.2.

Gentlemen,

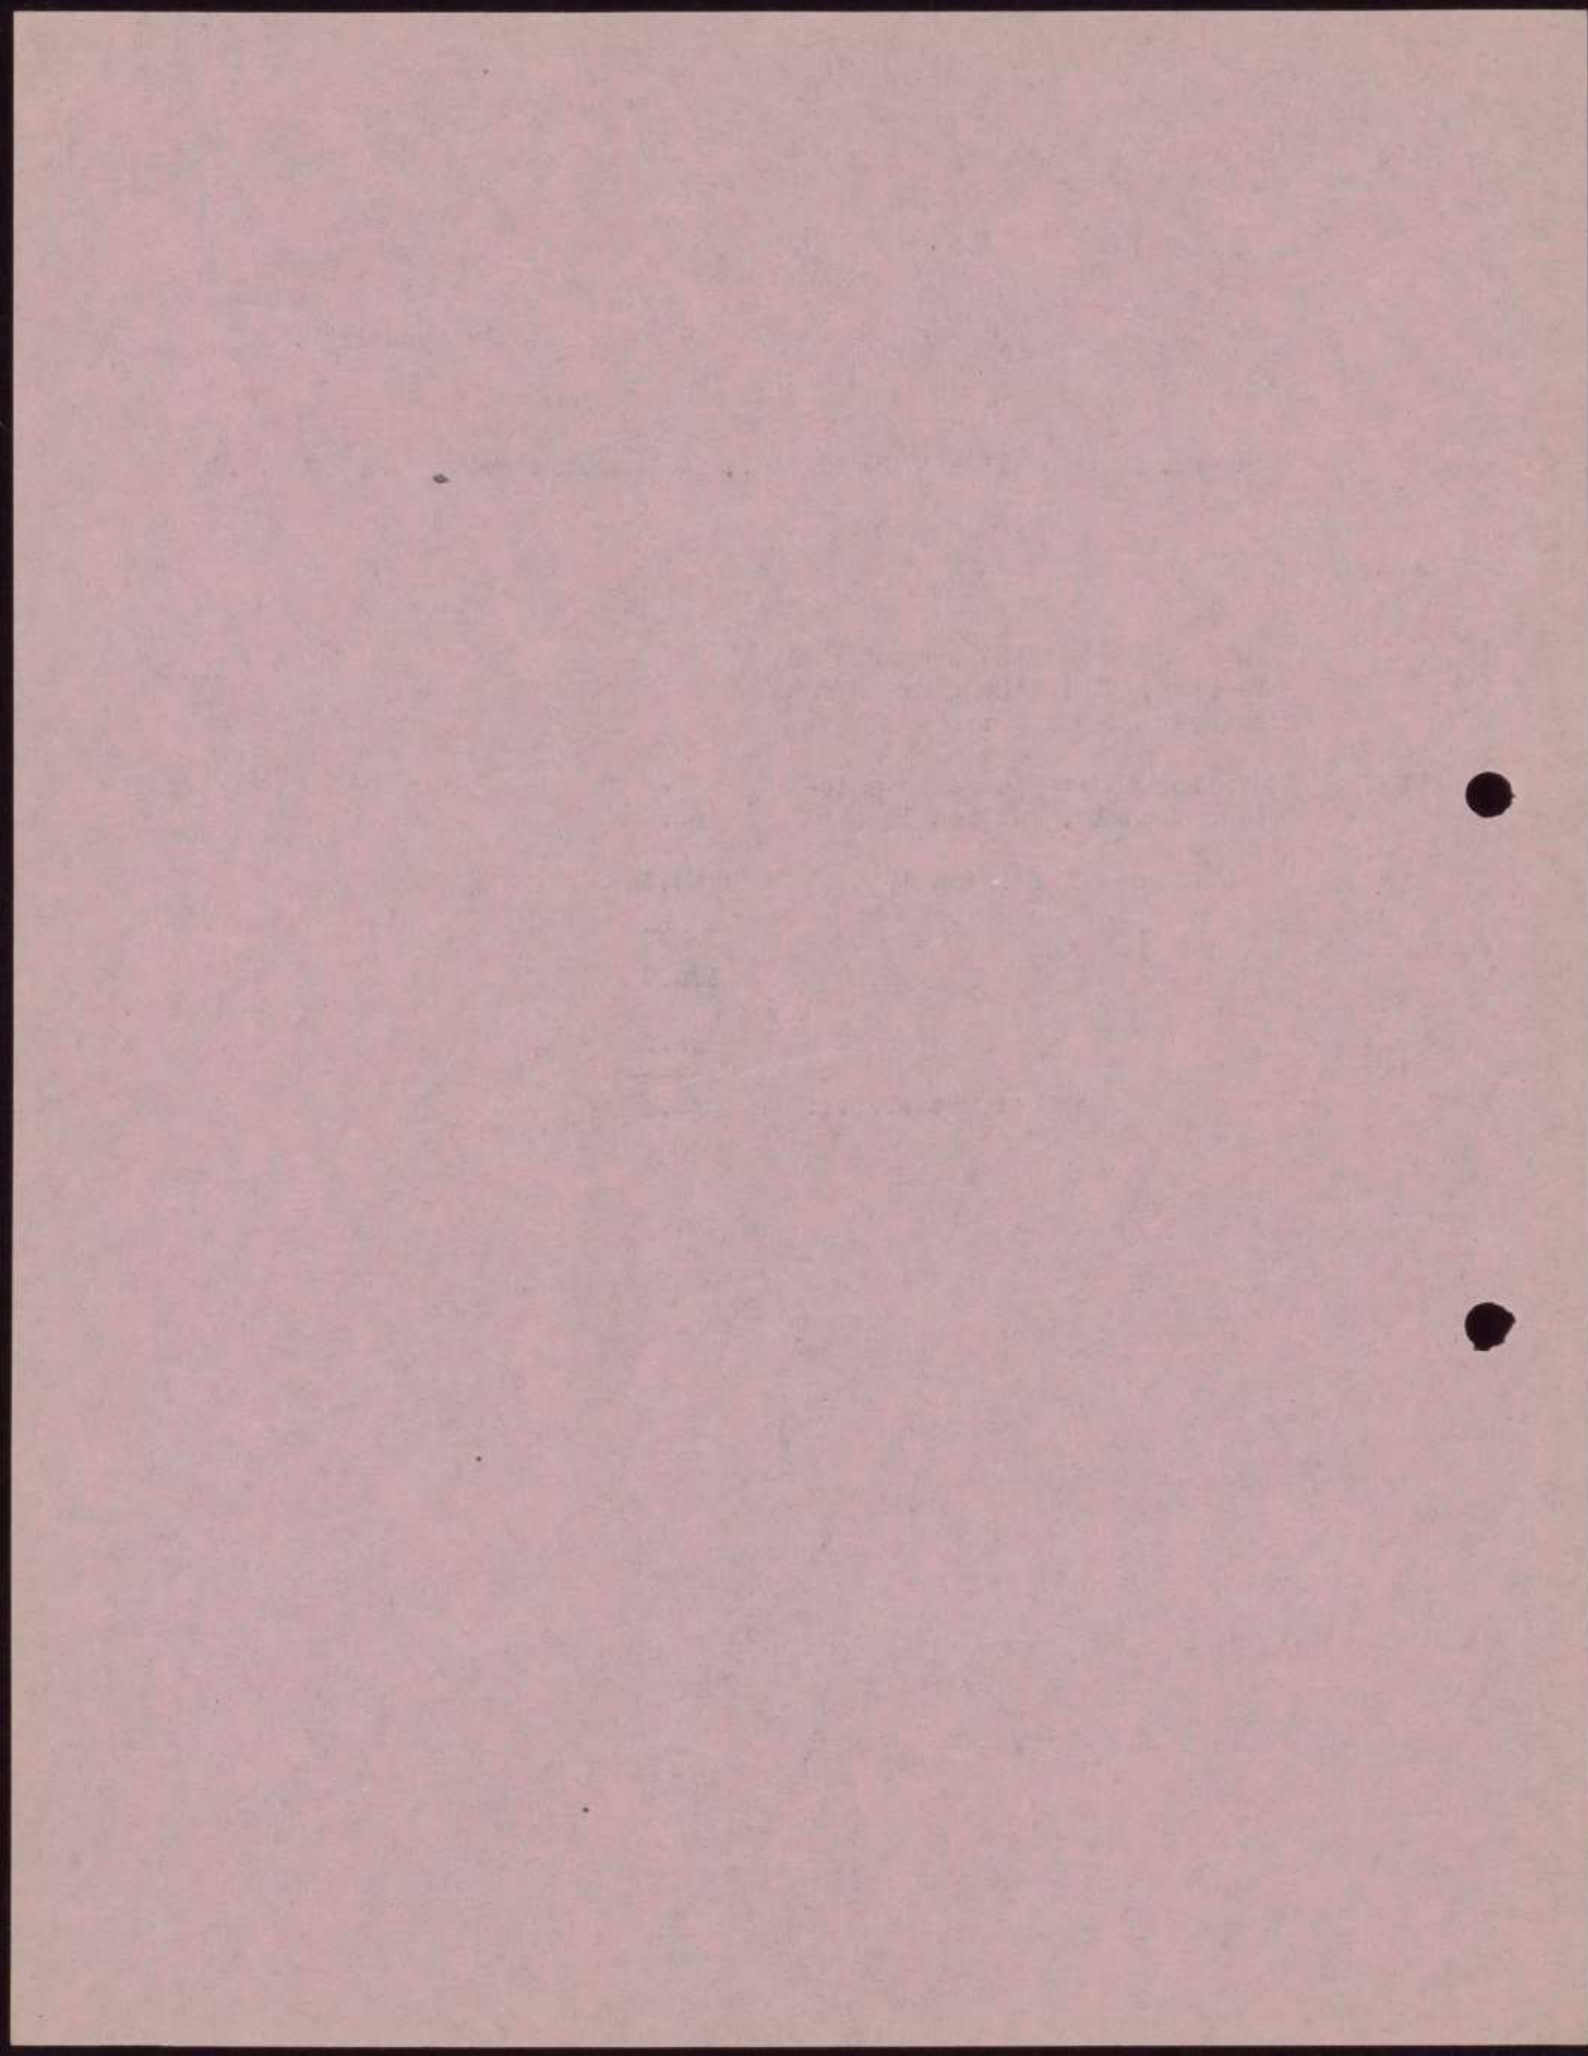

With reference to your letter of April 18th regarding the
the price of the book "Organic Action of Higher Animals" should
be raised from 12/- to 15/-, we beg to point out that such a
reaction would mean a very substantial addition to the price
of the book. It is, moreover, the reason that we have not revised the
price of the book is that the price of the book is fixed in London
and is always made to cover various costs and incidental expenses.
Your statement will doubtless realize that we cannot expect to
our have a book below at the same price as that charged in
the country of publication.
Nevertheless, in order to meet you on this point and
to help you in any way of exchange we authorize you to invoice the
copies of this book at 15/- for the purchaser only. In order to
avoid the possibility of claims on the part of other buyers, we
will advise you to change the price of 12/- to 15/- on the
the copies marked "out of the light" which we forwarded to you.
Yours faithfully,

19 mars 1937.
